Hello;

H0047 is the Procedure Code for MAT-All other (daily). This per diem covers all services provided on a day, including the medication. As long as the medication is administered at your location, or dispensed to the client from your program for client self-administration, it is billable.

Hi [REDACTED]

During the Red Lake Council Meeting I was asked to obtain confirmation from DHS in writing that the tribe is eligible for reimbursement for takeout medication doses (H0047) of Suboxone for MAT dosing through its [REDACTED]

Thanks for your help!

Hi [REDACTED] thank you for clarifying.

And specifically, medication for a tribally eligible clients who receive dispensed medication for self administration at home is reimbursable at the IHS encounter rate?
